Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. The new cases reside in Rockingham (9), Hillsborough County other than Manchester and Nashua (2), Carroll (1), Belknap (1), Merrimack (1), and Strafford (1) Counties, and in the cities of Manchester (1) and Nashua (1). Community-based transmission continues to occur in the State and has been identified in all counties.
