

North Country Substance Use Disorder and Prevention Series

North Country
HEALTH CONSORTIUM

Addressing Stigma & Health Disparities in SUD and Mental Health

Target audience includes:

Behavioral health professionals, physicians, physician assistants, nurse practitioners, nurses, and others working in healthcare and human services

Even the most **well-intentioned** healthcare professionals carry stigma and **bias** that is **projected** to their patients/clients. Learning how to **identify** and **mitigate** this can make a **huge** difference in someone's recovery path!

This presentation will guide participants to:

- Identify biases common for professionals working with patients/clients experiencing behavioral health and mental health related symptoms
- Identify tools to use in mitigating personal and organizational bias

Presented by: Jennifer Goulet, CHW/RC - Recovery Support Manager at North Country Health Consortium
