Trauma-informed Care

A 2-Part Online Series

Presented by Cassie Yackley, Psy.D

Master trainer and trauma-responsive practice content expert. Dr. Yackley is the founder and owner of the Center for Trauma Responsive Practice Change.

Target audience includes:
behavioral health professionals,
physicians, physician assistants,
nurse practitioners, nurses,
and others working in
healthcare and human services.

Register today!

Part 1- March 26

Trauma Informed Care has a tremendous amount to offer in managing the current circumstances. Identify practical applications for those working with the most vulnerable populations.

Part 2- May 20

Understand how negative, neglectful or abusive childhood relational experiences rob our clients and patients self worth. Learn strategies for relationship building in these circumstances.

March 26, 2021
