

# North Country Substance Use Disorder and Prevention Series

NORTHERN NH  
AREA  
Health  
Education  
CENTER

North Country  
HEALTH CONSORTIUM

## Best Practices in Addiction Care for LGBTQIA+ Communities

### Target audience includes:

Behavioral health professionals, physicians, physician assistants, nurse practitioners, nurses, and others working in healthcare and human services

LGBTQIA+ populations have disproportionately **high prevalence** of **substance use disorders (SUD)** compared with the general population. This session will identify **best-practice strategies** to address SUD in the **LGBTQIA+ community**.

# May 5, 2022

## 12:00 - 2:00 PM

Virtual live training via Zoom

**Cost: \$30.00**

*\*Continuing education provided - see registration for details*

### This presentation will guide participants to:

- Identify the relationship of minority stress to the prevalence of SUD among LGBTQIA+ people
- Tailor evidence-based addiction treatments for LGBTQIA+ populations
- Identify specific behavioral integration strategies to better address SUD in the LGBTQIA+ community
