CENTER

Behavioral Health and Substance Misuse among NH's Rural Baby Boomers and Older Adults

A 2-Part Online Series

Presented by Bernie Seifert, MSW, LICSW; Director of Adult Programs at NAMI, NH and Social Worker for Northern New England Geriatric Workforce Enhancement Program at Dartmouth Centers for Health and Aging.

Target audience includes:
behavioral health professionals,
physicians, physician assistants,
nurse practitioners, nurses, and
others working with older adults.

Register today!

Part 1- January 28

Gain a better understanding of substance use and misuse concerns among older adults in NH and how the pandemic have exacerbated these risks.

Part 2- February 11

Understand how depression affects baby boomers; how it often coexists with other medical conditions; and ways as a rural community we can create a safety net to address risk factors.

January 28, 2021

Alcohol and Substance use Concerns Among NH's Rural Baby Boomers and Older Population

8:30 AM-10:00 AM
