

# CHILDHOOD LEAD POISONING in NH

**WEDNESDAY**  
**APRIL 14, 2021 10AM-11:30AM**

## Realtors and Home Buyers Need to Know

Many homes built before 1978 have lead-based paint, which can pose **serious health hazards** to occupants, especially children.

This session will cover the impact of lead exposure on children's health/development, the **responsibilities of landlords or sellers on lead disclosures, and rights of tenants/home buyers** regarding lead paint prior to signing.
