

# FREE LEAD SAFETY TRAINING

**FOR MUNICIPAL EMPLOYEES, OFFICIALS,  
AND COMMUNITY HEALTH WORKERS**

**And anyone who wants to better understand the hazards of lead paint and dust and how it harms our vulnerable citizens.**

**- What does the law say?**

**- How do we get a home tested?**

**- How can we help to keep people safe from this invisible toxic dust?**

**- What about a child?**

**- What resources are there for property owners?**

**- Can adults be lead poisoned too?**

**Bring your questions and get the facts.**

**June 23, 2021 VIA ZOOM**

**12:00PM - 2:00PM**
