

JOIN OUR HEALTHCARE FOCUS GROUP CONVERSATIONS NORTH COUNTRY RISING: A Plan for Recovery & Resiliency

Our Task:

North Country Council is leading a planning process to develop strategies and solutions for a more resilient, inclusive, and caring economy that can withstand, adapt, innovate, and transform in the face of natural and human disasters.

Our Goal:

By the summer of 2022, finalize a plan for economic recovery and resilience that was created by a diverse representation of our region and includes specific actions and implementation strategies.

WE WANT TO HEAR FROM YOU!!

Join our Healthcare Focus Group

We will focus on defining resiliency for healthcare, our greatest assets and needs, and solutions to support the healthcare system in the North Country.
