

BE THE HERO - HELP SAVE LIVES

# Naloxone Train the Trainer

This training is in  
partnership with:

Join Ryan Fowler, Harm Reduction Coordinator at the HIV/HCV Resource Center in a live, virtual training to learn how to administer Naloxone, a life-saving medication for reversing the effects of an opioid overdose. This free 90-minute webinar will give you the knowledge you need to save a life and to train others to do so as well.

For more information, contact: [jgoulet@NCHCNH.org](mailto:jgoulet@NCHCNH.org)

*Two separate times for your convenience:*

**Thur. August 6th at 10am or 2pm**

**Upon completion of this training, you will receive a certificate and will be able to:**

- Understand what Naloxone is
- Identify an Opioid/ Opiate Overdose
- Understand the necessary steps for handling an overdose
- Properly administer Naloxone
- Perform rescue breathing
- Understand proper Naloxone storage
- Know where to get Naloxone in Northern NH
- Obtain certification to train staff and clients on Naloxone administration

AskPETRA is North Country Health Consortium's response to the Substance Use Disorder crisis in Northern NH.
