Live!

NH Prescription Drug Monitoring Program:

An Integrated Tool in the System of Care

FREE WEBINAR | THUR. APRIL 29 | 11:30 - 1:00

Join Us!

CEU Credit Available

Physicians: The North Country Health Consortium/NNH AHEC is accredited by the NH Medical Society to provide continuing medical education for physicians.

The North Country Health Consortium/NNH AHEC designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: North Country Health Consortium/NNH AHEC is approved as a provider of nursing continuing professional development by the Northeast Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This activity was approved for 1.5 Nursing Contact Hours. Activity #485

Other Professionals: 1.5 Professional Hours of Continuing Education.

Michelle Ricco Jonas, M.A., CPM, founding Program Director for the NH Prescription Drug Monitoring Program (PDMP), will provide an update and an overview of the NH PDMP System, a valuable tool for identification and prevention of drug misuse.

LEARNING OBJECTIVES:

- Describe the implementation & development of the NH PDMP
- Identify the requirements and restrictions from a legislative perspective
- Describe the collection, analysis, and reporting of information on the prescribing, dispensing, and use of controlled substances
- Determine the value and application of the program
- Evaluate the PDMP impact on overdose deaths

AskPETRA is a free service that provides local resources, training, and one-on-one help to connect providers, adults and families to the support they need to understand, prevent and treat SUD.

Registration
Encouraged!
