

SHARE YOUR (SUBSTANCE USE DISORDER) STORY

SPEAKERS BUREAU | Presented by: Savannah Miller + Rikki Lauzon | #NorthCountrySpeaksRecovery

We are seeking **friends + family members affected by SUD** to share their stories to help us educate, move, and help reduce stigma.

MONDAY MORNINGS IN AUGUST (9AM-12PM, AUG. 7, 14, 21,28)

Personal stories have the power to move audiences from apathy to empathy and understand the human potential. Stories inspire, teach, and forge conversations. They are a powerful means by which to teach or to learn.

Our goal is to reduce stigma associated with SUD by getting listeners to understand that people with an SUD are real people who have lives and families that should be supported and not judged.
