

2016 DIABETES WEBINAR TRAINING SERIES

North Country Healthcare Professionals:

North Country Health Consortium (NCHC) announces the opportunity to access selected American Association of Diabetes Educators (AADE) webinars, free-of-charge.

Webinar Topics include*:

- ~ 2016 Medication Guidelines ~ Pathophysiology of Pre-Diabetes ~
- ~ Diabetes and Food ~ Literacy and Numeracy ~

**Learners can select one or up to four webinars to view.*

Target Audience

The *AADE Webinars* are knowledge-based activities designed for individuals or groups of diabetes educators, including RNs, RDs, Pharmacists, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, MDs, and other health care providers interested in staying up to date on current practices of care for their patients with diabetes and other related conditions.

Continuing Education:

The AADE-provided continuing education credit available is for Registered Nurses, Registered Dietitians, and Pharmacists. Specific continuing education information for each webinar can be found on the registration site at:

<http://bit.ly/NCHCDiabetes2016>

Items to Note:

- *Access to these webinars are on a "first-come, first-serve" basis.
- *All access codes will expire July 1, 2017. Please be sure to complete desired webinars prior to this date.
- *Please register for this opportunity by going to: <http://bit.ly/NCHCDiabetes2016>

For more information, please contact: Diana Gibbs, NCHC Program Manager,
at dgibbs@nchcnh.org or 603-259-3700 ext. 222.

Space is limited - register TODAY to reserve your desired webinars!
