

**3rd Community
Health Worker Summit
April 19, 2017
Common Man
Plymouth, NH**

**This summit is provided by the
Northern and Southern
New Hampshire Area Health
Education Centers in partnership
with the New Hampshire Community
Health Worker Coalition.**

**3rd Community
Health Worker
Summit
2017**

Join us for this full-day event to learn more about current Community Health Worker (CHW) initiatives in New Hampshire; the vital CHW role in your health and human service setting; and how CHWs are instrumental in enhancing the patient experience and improving health outcomes.

Objectives

- Describe CHW initiatives in New Hampshire.
- Explore the leadership role of CHWs in the community.
- Frame messages to build public awareness of CHWs.
- Identify ways to measure social determinants of health for value-based payment models.
- Describe strategies to enhance teamwork.
- Strengthen the CHW Coalition in New Hampshire.

Target Audience

Community Health Workers; representatives of health systems, social service, and community organizations; and legislators who seek new models of care to promote access to services and minimize health disparities.

**The New Hampshire
Community Health Worker
Coalition Aims to:**

- Promote community health workers as vital members of the health care and social service team
- Advocate and educate
- Leverage opportunities to educate stakeholders about CHW model
- Lead and advocate for policy change

What is a Community Health Worker?

A community health worker is a frontline public health worker who is a trusted member of and/or has an unusually close understanding of the community served. This trusting relationship enables the worker to serve as a liaison/link/intermediary between health/social services and the community to facilitate access to services and improve the quality and cultural competence of service delivery.

Non-Community Health Workers - \$45
