STUDENT GUIDELINES AND COMMITMENT: STEM - Health Camp seeks to establish a positive, caring environment in which students may strive for success and growth. This requires that each person acknowledge and respect the needs and rights of others in the STEM-Health Camp community. All students are required to conduct themselves in compliance with these standards and to indicate their commitment by placing their signature below.

- 1. Students are expected to behave at all times in a manner that reflects respect and consideration for each other, for the staff, for the program, for the College, its property and personnel, and for themselves.
- 2. Students are to remain on campus during the program time unless special arrangements are made in advance with the director.
- 3. Students are expected to maintain a positive attitude about their involvement in STEM Health Camp and are to be responsible for sustaining a positive learning environment for themselves and others.
- 4. On all field trips, special activities, and expeditions throughout the STEM Health Camp, students will behave in such a way as to bring credit to the STEM Health Camp community, and to their schools/towns.

, student,, understand and agree to the terms and conditions of the student guideline commitment governing my participation in the White Mountains Community College STEM - Health Camp. I, the parent/she above-named student give my permission for my son/daughter to participate in all activities of the White Mountains College, STEM - Health Camp. I also understand the terms of the guidelines governing my son/daughter's participation in STEM - Health Camp program.	ommunity
