

# Are you interested in the healthcare field?

## Do you want to advance your career?

**Call White Mountains Community College  
to Enroll! 603-342-3062**

**Call to learn more about the assistance available for paying all training costs- including tuition, fees, uniforms, and books- for the following programs:**

### **Licensed Nursing Assistant (LNA)**

The Licensed Nursing Assistant is responsible for providing care to patients in different healthcare settings, under the guidance and supervision of a Registered Nurse. The LNA program includes 120 training hours.

### **Medication Nursing Assistant (MNA)**

The Medication Nursing Assistant is a Licensed Nursing Assistant with at least 2 years of LNA experience who has completed a Board-approved medication administration program. The MNA functions as a care partner with the RN/LPN in administration of medication to stable clients. The MNA training program includes 70 training hours.

### **Health and Wellness Advocate**

The Health and Wellness Advocate Certificate program is being offered! A Wellness Advocate's role is to help others work toward health and wellness. Health and Wellness Advocate Certificate classes transfer toward a Wellness Coach Certificate!
