

# North Country Health Consortium, Inc.

*Our Mission: "North Country Health Consortium leads innovative collaboration to improve the health status of the region."*

*The North Country Health Consortium (NCHC) is a rural health network, created in 1998.*

*Membership Benefits-Network, Education, Advocacy, Communication:*

- ◆ Forum for mobilizing community and regional partners;
- ◆ Network of rural community leaders and organizations;
- ◆ Health Status monitoring to identify health problems;
- ◆ Information and education about health issues affecting rural people;
- ◆ Policies and plans that support individual and community health efforts;
- ◆ Continuing Profession Education for North Country Health Professionals;
- ◆ Rural advocacy platform;
- ◆ Working together to improve the health status of rural people.

## Programs and Services

**Workforce Development, Education and Training:** The Northern New Hampshire Area Health Education (AHEC) is one of two federally designated AHECs in New Hampshire. NNHAHEC provides conference Services, Camps & service learning opportunities for youth in health care and continuing education for Health Providers.

**Community Substance Abuse Prevention (CSAP):** CSAP staff provide leadership, facilitation and coordination for the region to develop and implement substance abuse and tobacco use prevention activities and development of strategic frameworks for prevention.

**Molar Express:** A mobile public health dental clinic designed to provide services to North Country adults and children who experience barriers to accessing dental care in traditional dental practices.

**Public Health & Emergency Preparedness:** NCHC partners with the NH Department of Health & Human Services to ensure the capacity for providing essential public health functions to the communities of Northern New Hampshire.
