

Application for Membership

The North Country Health Consortium (NCHC) is a rural health network, created in 1997. NCHC engages in activities which:

- ◆ Solve common problems and facilitates regional solutions;
- ◆ Create and facilitate services and programs to improve population health status;
- ◆ Provides health professional training, continuing education and management services to encourage sustainability of the health care infrastructure;
- ◆ Increases capacity for local public health essential services;
- ◆ Increases access to health care for underserved and uninsured residents of Northern New Hampshire.

Organizational Services

- ◆ Community health status monitoring and needs assessment.
- ◆ Convening and facilitating of health and human service providers to develop collaborative solutions.
- ◆ Forums on health issues.
- ◆ Conference management.
- ◆ Strategic planning.
- ◆ Program development, project management and grant writing.
- ◆ Technical assistance.
- ◆ Advocating for rural health.
- ◆ Management and financial services for regional collaborative initiatives.
