The NH Community Health Worker Coalition works to:

- 1 Promote CHWs as vital members of the healthcare and social service team

- 2 Leverage opportunities to educate stakeholders about CHW model

- 3 Advocate for healthcare policy changes that advance the sustainability of CHW programs

NHCHW.org

Find us on  @NHCHWcoalition

Community Health Workers promote healthy behavior and improve overall quality of life – with compassion for the communities we serve.

We build relationships on a foundation of mutual respect and trust to guide individuals in overcoming barriers and creating paths to personal success.

### What Does the Coalition Do?

- Helps to articulate the role and scope of practice for CHWs.
- Advocates for integration of CHWs into healthcare and social service settings.
- Educates on the value and advantages CHWs bring to healthcare.

- Provides statewide continuing education, advocacy and networking opportunities for CHWs and those who share this role under various titles.

- Provides a platform to inform communities of initiatives and programs that promote healthy living.

### Why Join the Coalition?

- Be part of a unified CHW movement.
- Gain new experiences and leadership skills.
- Receive on-going education and discover networking opportunities.
- Be part of a healthcare solution.
- Help promote unity among diverse populations and discover available resources.

### Who Should Join the Coalition?

Those who work in any healthcare field and support the work of the Coalition. **Membership is free.**
