What "ANEW" can do for you...

Through a new grant, Advanced Education Nursing Workforce (ANEW), UNH will help you:

- Expand your primary care workforce by precepting Family Nurse Practitioner students
- Enhance your professional skills as a valued preceptor in your community!
- Learn more about providing behavioral health, SUD treatment and telehealth in the primary care setting

The University of New Hampshire Advanced Education Nursing Workforce (ANEW) grant is funded by the Health Resources and Services Administration HRSA #T94HP32895.
