

Leading innovative collaboration to improve the health status of Northern New Hampshire.

We work to:

- ▶ improve the health of individuals and the overall health of the region
- ▶ improve infrastructure, capacity, and delivery of public health services
- ▶ improve access to services for underserved and uninsured North County residents

While most of our services are offered at no charge to the residents of the North Country, we also have special fee-for-service offerings.

***** This service may also be available for a fee.

Together with other organizations throughout the region, we provide, coordinate, or facilitate:

- ▶ regional forums on health issues affecting the North Country
- ▶ community needs assessments and health status monitoring
- ▶ program planning, development, implementation, and management
- ▶ project-related technical assistance

Our Training Center provides:

- ▶ education and support for healthcare students and professionals
- ▶ community health worker training*
- ▶ custom tailored trainings for other organizations, such as: motivational interviewing, mental health first aid*

We are also available to provide assistance with:

- ▶ program development*
- ▶ project management*

The North Country Health Consortium is a non-profit 501(c)3.
