

# Listen<sup>2</sup> Learn

# Women Matter!

## 5 Part Online Educational Series

### Professional Development Opportunity

Starting

**September 30, 2021**

**Self-paced** online monthly modules work with your busy schedule!

**Incentive card** and certificate upon completion!

Earn up to **7.5 Continuing Education Credits!**

(1.5 Continuing Education (CE) for each webinar through [healthknowledge.com](http://healthknowledge.com) at \$7.50 per video.)

- Based on a leading educational series on women, Substance Use Disorder (SUD), and Neonatal Abstinence Syndrome (NAS) by SAMHSA and Advocates for Human Potential.
- Adapted for service providers in the North Country.
- Learn about best practices and effective approaches to supporting women at risk for/living with SUD/NAS.

*This free online series is for anyone who provides services to women of childbearing age at risk for/living with SUD in the North Country.*
